

CSBS MATCHING SCHOLARSHIP CHALLENGE

Connections that matter start with U. The College of Social and Behavioral Science has a strong tradition of students who go on to excel in their chosen professions or in academia. The University of Utah is offering a challenge grant for scholarships that address three critical areas: achievement, access, and completion. Funds will be matched dollar for dollar with a minimum of \$250 up to a maximum of \$5000 per donor for all new gifts before December 31, 2014.

With your support, we can continue to recruit and retain the strongest students.
