FACES OF CSBS

Alumni Spotlight

Meet MIAGE alum Jeremy Lindsey. Jeremy is the winner of the 2017 Utah Business Magazine CXO of the Year award and AE Magazine's Top 40 Under 40. Lindsey graduated magna cum laude from Utah Valley University in 2007 with a Bachelor of Arts and earned a Master of Science in International Affairs & Global Enterprise from the University of Utah in 2010. Lindsey is currently COO of Alpha Warranty Services, a 2017 Utah Fast 50 award winner and a 2017 When Work Works award Recipient. [READ MORE](#)

Student Spotlight

Meet Anthony Dam, a CSBS Student Ambassador majoring in economics. When asked what inspires him to #bethesolution, Dam said:
"Knowledge is power' is one of favorite mottos in life. I have a goal to inspire others in pursuing and reigniting their passions in life through education. I believe that we can focus on creating solutions for all the problems within our society by enabling, influencing, and supporting others in their endeavors. I want to be able to leave a positive impact on those around me and assist them in achieving their goals."

FEATURED NEWS

McAdams supports Trump impeachment inquiry

Political science professor Jim Curry explains, "McAdams was already facing a hard reelection in 2020, which makes it difficult to predict how the impeachment issue will impact how his standing in the race next year. No matter which way you come down, you're going to anger a large number of people."

Reducing melanoma in the lives of those at risk

Professor of psychology Lisa Aspinwall went on UPR to further explore how to get people who are at risk of skin cancer to stay out of the sun. Aspinwall is a part of a team who studies the ways genetic testing and counseling can help people make better lifestyle decisions when it comes to melanoma.

There are solutions for Utah's complex gender wage gap

Without changes, the state's gender wage gap won't close until 2106, one researcher said. Without mandates or changes to state law, it won't close sooner. Günseli Berik, professor of economics, participated in the debate and observed, "The elephant in the room is family care responsibilities."
